BUEI to host Raffle to support Education Programmes

BUEI is excited to announce the sale of our Raffle Tickets running now to the 1st of November. All funds raised from the annual fundraiser will go towards the running of BUEI's Educational Programmes and the routine operation of our Ocean Discovery Centre.

“For every raffle ticket sold, we at the Bermuda Underwater Exploration Institute are in a better position to continue to educate all who visit our museum and take part in our educational programming about the importance of our oceans and maintaining a healthy environment. As our climate and oceans continue to change and heat up, our work becomes even more paramount. When you win, our oceans win too!” says Karla Lacey, CEO.

Prizes on offer include a Yamaha Mio M3 125cc Engine Motorcycle from World Distributors Ltd, a two-night stay in a Deluxe Category Room with breakfast included provided by the Hamilton Princess, private use of our Tradewinds Auditorium for a 4-hour period, a Personal Training Session with the Class & Prepared Meals Package from Fit4Life & Stay Ready Meals, a 6-month Wine Club membership from Discovery Wines and so much more!

Tickets are \$20 each and only 650 will be printed! **For a full prize list or to purchase your raffle ticket, please visit the events page on www.BUEI.bm.** Tickets will also be sold at our Oceans Gift Shop.
